

Soccer Class

1st-8th Grade

The soccer class will be a fun, interactive, skill-building class. We will learn basic rules of soccer, work on ball control, and learn proper passing and kicking technique. We will incorporate each of these skills into fun, competitive soccer drills and game-like situations. We will focus on character and skill development. I will meet each student where they are at with their skill level and comfort level. I look forward to sharing my love of soccer with the group of students in a fun, enthusiastic environment!

When?

Fall Season: September-October

Spring Season: April-May

(Each session is 8 weeks)

Materials Needed:

- Shin guards
- Soccer ball (size appropriate for age)
- Soccer cleats (optional)
- Note: Classes to be held outside - please dress appropriately

Tuition:

\$280 for the year

Payment option: \$140 due first class of fall; \$140 due first class of spring

LAMP fee: \$280 tuition; if LAMP only provides partial payment, you will be responsible for the rest, which will be due October 25, 2023. Students are required to self pay for any missed LAMP payments due to dropping after third class or not meeting LAMP requirements during the semester.

My name is Anna Steinke. I was homeschooled my entire K-12 education, and I love the homeschool community. I grew up playing soccer from a young age. I played AYSO, travel and high school soccer. From high school, I went on to play soccer at the college level at Cornerstone University. It was important to me to continue my playing career at a Christian University where the primary focus was to bring honor and glory to God, with a secondary focus of being competitive and winning. Over the past 10 years, I have coached various levels: travel, AYSO and competitive high school teams. I have coached kids as young as 5 years old and as old as high schoolers. I love sharing my passion of the game with others.
