

Math Games

2nd-5th Grades | 4th Period 1:15-2:35pm

Math games encourage children to learn facts through project based learning. Games propel students to stretch their minds, provide novel challenges, and let them play while making deep connections to core math concepts. Math games keep learning fun for students of all ages and help everyone connect with the joy of learning! Math games improve your students' math proficiency and can intrinsically motivate them to seek knowledge and proactively solve problems. By working their way through games, they also learn how to approach failure with a growth mindset.

Tuition

SELF PAY :

Materials Fee: \$50 (*non refundable; due upon registration*)

Tuition: \$300; \$150 due September 4, 2024; \$150 due January 15, 2025

LAMP FAMILIES: Tuition: \$300 / \$37.50 per Month

The \$50 material fee (non-refundable) is paid by the family at registration.

Any tuition balance not covered by LAMP funds are due October 23, 2024. LAMP students are required to self-pay for any missed LAMP payments due to a student dropping after the 3rd class or not meeting LAMP requirements during the semester.

About The Tutor

I am a graduate of Clearwater Christian College in Florida. I am a wife, a mom of six, and I love being creative and designing in my spare moments. I've taught in a variety of public and private schools and homeschool co-ops over the last 20 years. I am passionate to creatively encourage my students to become lifelong learners.
