Literacy Launch!

Literacy Launch is a HANDS ON literacy course for Early Elementary Students! This is a FIRST step of introducing very basic phonics to students.

In this class, we will be studying various aspects of Language Arts through play, exploration, games, songs, and movement!

Some areas will include...

- Letter Recognition
- Thorough Phonics Instruction
- Handwriting
- Early Creative Writing
- Light Grammar Instruction

Weekly homework will not necessarily be given in this fundamental class. However, parents are strongly encouraged to keep the pace of the class continuing each day at home.

About the Tutor

I received my B.A. from Cornerstone University in Language Arts and Elementary Education. I have worked with students in varied capacities for over 25 years.

I believe God is at the center of all wisdom, knowledge, and Truth, and am eager to translate that into the classes I am teaching!

Over the course of my life, my most honorable position is easily being a wife to Anthony Dear, and mother to my four children. I love being a homeschool mama!

I am a high-energy, enthusiastic, and FUN educator! I believe in making memorable experiences with children and allowing movement and energy to guide learning! I look forward to serving the students in my care!
