

Spanish Class

Contact Info: eabalasa@gmail.com
(269) 475-3629

Pre-K / Kindergarten

(3 - 6 year olds)
40-minute class

Join us for a time of learning the basics of greetings, colors, and numbers in Spanish! We will also learn how to talk about our feelings and preferences. We will then bring it all together with learning the parts of the body.

Te alabo porque soy una creación admirable...

-Salmo 139:14

Songs
Stories
Games

Early Elementary

(7-9 year olds)
40-minute class

Come learn the basics of greetings, description, and the alphabet! We will also practice reading a calendar, talking about the weather, and discussing our preferences. We will work to describe both ourselves and animals by the end of the year!

And, of course, what Spanish class would be complete without exposure to the culture? Learn about notable Hispanics, Christmas traditions, and festivals throughout the year.

Meet the Tutor

¡Hola! My name is Elisabeth Hammond and I enjoy sharing the joy of another language with children.

I have been studying Spanish for over 20 years, receiving my B.A. in both Elementary Education and Spanish Education. I taught in the public school system for several years and now teach out of my home. Since the beginning, my husband and I have raised our own daughters bilingually. Whether it is making new friends, growing in compassion for and understanding of others, or sharing God's love, another language opens doors and expands the mind!

Tuition/Fees

Materials Fee: \$10 (non-refundable, due upon registration)

Tuition: \$225

Self-Pay: due September 3, 2025

LAMP Families: LAMP families are responsible for any balances beyond LAMP payments, as well as any missed LAMP payments due to dropping after the second class or not meeting LAMP requirements.

(If you are a LAMP family, please reach out to me upon registration.)
