Meet the Tutor  
Hello, I'm Stacey Rhoades-Huizar, but you can call me Mrs. Stacey.  
I am so excited to be teaching this year's LEGO elementary class. I am a homeschooling mom of 4. I am passionate about teaching my children and growing them in the love of Christ. I love hands on creativity and bringing it into the classroom. I would love to be a part of helping your child grow deeper in their love of Christ while learning how to bring their imaginations and creativity to life.

## Course Description:

In this 40 minute class each week students will learn about a new Hero of the Bible. We will have a brick challenge each week building our creations on what we learned that day with LEGOs. There will be a bonus challenge build as well as an optional activity to do at home. We will explore our hero's good character traits, building on what it means to have good character. We will learn Bible verses each week and read from The StoryBook Bible written by Sally Lloyd-Jones and illustrated by Jago. We will incorporate songs to reinforce memory for each Bible verse. Each student will have their own Bible workbook to take home to help reinforce that day's lesson (optional of course). This is a time for kids to explore their imagination and connect with our Lord and Savior in the process. Let the fun begin!
