

# GYM Games!

**AGES: 9-15**

## Meet the Instructors:

Gym Games will be led by three area instructors with extensive experience in sports ministry.

Gail True helped raise and homeschool 6 amazing kids, played college volleyball, and has been involved in coaching rec and travel sports. She and her husband Tim attend Gracespring Bible Church in Richland.

Sean and Jennifer Ryan have four awesome kids who all love being active physically. Sean played many sports including tennis at MSU. He has worked as a tennis teaching professional and has coached various sports teams, including the Cougars. He is the pastor at Bethel Baptist Church.

Jen grew up in a sports family that bonded over every game, making connections through sports. She has coached in public and international schools and helped found the Cougar boys volleyball program.

## Class Description:

Students gain new skills through a variety of gym games that build motor, fitness, and social development. They will grow in confidence as individuals and through working as a team.

We will use games like thunder & lightning, tag variations, obstacle courses, relay races, volleyball games, mini-tennis, kickball and more!

GYM Games are an effective way to get moving—and have fun!
