Blossoms is a place where young hearts are lovingly planted, watered with faith, and encouraged to grow in God's love. Just as blossoms grow with care, sunshine, and time, the Blossoms preschool class gently supports each child's spiritual, emotional, and educational growth in a loving and peaceful environment. Rooted in Biblical truth, Blossoms introduces children to God's Word through age-appropriate Bible stories, songs, prayer, and hands-on activities that foster early literacy. Children will learn foundational concepts such as God's love, kindness, obedience, gratitude, forgiveness, and respect for others, helping them begin to understand who God is and how they are loved by Him.

About the Tutor:

Mrs. Berry has been homeschooling her three daughters (ages 11, 8, and 5) from the very beginning. She has a heart for nurturing young children and helping them understand the depth of Jesus's love for them. Sarah is passionate about creating a safe, joyful, and emotionally secure environment where little ones can grow in confidence, explore the world around them, and begin to understand their identity as children of God.
