

# World History Middle School

(Grades 6-8)

History is a record of mankind's experience over the ages. In this class we will learn about people, places, and events that have influenced the course of human history throughout the world. We will learn all of this from a Christian perspective as we see God's hand throughout world events from ancient times until present day.

## ABOUT THE TEACHER

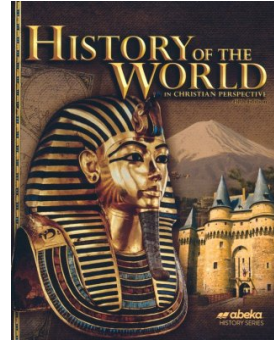

My name is Tony (Anthony Dear). I am the pastor of FaithWay Church in Plainwell, MI. I have been a Christian since age 12, and love to teach others about the bible, history, and most of all Jesus. # Course Book

Abeka, History of the World

**COST: \$380**

This includes all materials and fees for both semesters except for the book. Feel free to use LAMP or self pay by making a payment of \$190 the first week of each semester.

## WHAT TO EXPECT

Students will have reading each week as well as questions to answer to help them retain what they read.

We will do some fun projects this year... including building a diorama of a historical event.

Expect this class to be informative but not as heavy a workload as the High School version of World History.

## ARCHAEOLOGY

History is discovered from artifacts, inscriptions, and stories that have been uncovered from the past. This class will take a special look at artifacts, especially artifacts that help prove the Bible to be true.
