# Literacy Boost!

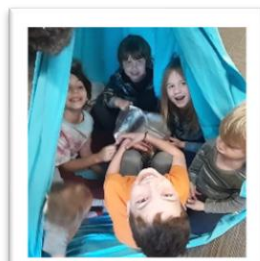

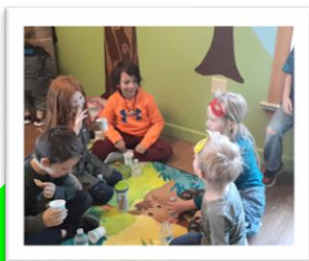

Literacy Boost is a HANDS ON literacy course for Early Elementary Students! This is a “next step” from basic phonics instruction. It is intended for emerging readers at a first grade level.

In this class, we will be studying various aspects of Language Arts through play, exploration, games, songs, and movement!

Some areas will include...

- Phonics Review
- Fluency Training
- Spelling
- Grammar
- Writing Sentences
- Forming Paragraphs

Weekly homework will be provided for this class. Daily plans to support the lessons are included for four days a week. Homework is optional, but highly recommended to get the most out of the class.

## About the Tutor

I received my B.A. from Cornerstone University in Language Arts and Elementary Education. I have worked with students in varied capacities for over 25 years.

I believe God is at the center of all wisdom, knowledge, and Truth, and am eager to translate that into the classes I am teaching!

Over the course of my life, my most honorable position is easily being a wife to Anthony Dear, and mother to my four children. I love being a homeschool mama!

I am a high-energy, enthusiastic, and FUN educator! I believe in making memorable experiences with children and allowing movement and energy to guide learning! I look forward to serving the students in my care!
