## About the Tutor

I received my B.A. from Cornerstone University in Language Arts and Elementary Education. I have worked with students in varied capacities for over 25 years.

I believe God is at the center of all wisdom, knowledge, and Truth, and am eager to translate that into the classes I am teaching!

Over the course of my life, my most honorable position is easily being a wife to Anthony Dear, and mother to my four children. I love being a homeschool mama!

I am a high-energy, enthusiastic, and FUN educator! I believe in making memorable experiences with children and allowing movement and energy to guide learning! I look forward to serving the students in my care!
