## Pre-K / Kindergarten

(3 - 6 year olds)  
**40-minute class**

Join us for a time of learning the basics of greetings, colors, numbers, and weather in Spanish. Then head with us to the farm and use our colors and numbers with the animals!

En el principio, Dios creó los cielos y la tierra.

Génesis 1:1

**Songs**  
**Stories**  
**Games**

## Elementary

(7-9 year olds) **40-minute class**  
(10-12 year olds) **80-minute class**

Come learn the basics of greetings, description, and the alphabet! We will also practice reading a calendar, talking about the weather, and discussing our preferences. We will describe ourselves, our families, and our favorite pastimes this year!

And, of course, what Spanish class would be complete without exposure to the culture? Learn about notable Hispanics, Christmas traditions, and festivals throughout the year.

## Meet the Tutor

¡Hola! My name is Elisabeth Hammond and I enjoy sharing the joy of another language with children. I have been studying Spanish for over 20 years, receiving my B.A. in both Elementary Education and Spanish Education. I have taught in the public school system and tutored, beginning at REACH in 2025.

Since the beginning, my husband and I have raised our own daughters bilingually. Whether it is making new friends, growing in compassion for and understanding of others, or sharing God's love, another language opens doors and expands the mind!

## Tuition/Fees

**Tuition:** \$250 (40-minute class)

\$350 (80-minute class)

**Self-Pay:** due September 9, 2025

**LAMP Families:** LAMP families are responsible for any balances beyond LAMP payments, as well as any missed LAMP payments due to dropping after the second class or not meeting LAMP requirements.
