

# All Creation LEGO 1

Contact Information: Bradi Dykstra Ph. 970-531-9471 Email: [bradi.dykstra@gmail.com](mailto:bradi.dykstra@gmail.com)

**Ages 3- 5 year olds (must be fully potty trained)**

**Period 3 ( 40 mins) 11:20-12:00**

## **Course Description:**

Students will explore the world of science through read alouds, hands-on activities and LOTS of lego building. We will be using various books by authors such as Gail Gibbons, Stan and Jan Berenstain and many more, to learn about the world around us and God's amazing creation!. Some themes that will be covered throughout the year are ecosystems, farms, weather, things in our city, reptiles, amphibians, space and much more! Each week we will spend time building something we have learned about in class that day with LEGOS!! There are endless possibilities with legos! This is a time for kids to use their imagination, expand on what they have learned and let their creativity soar.

## **Fees:**

**Tuition: \$250**

**Materials Fee: \$40 material fee ( non-refundable due at registration)**

\*\*Upon confirmation of registration you will receive a welcome email from me containing my address. Please mail your material fee within 10 business days (due from both LAMP and non-LAMP families).

**Please make all checks payable to Bradi Dykstra.**

## **Payment Options:**

**Self-Pay: Tuition Payment of \$250 is due 9/7/2022.**

Please contact me if you would like to set up a payment plan of \$125 due on September 7, 2022 and \$125 due on January 18, 2023.

**LAMP: Tuition of \$250 is submitted to LAMP *\*If you are a LAMP family, please contact me directly.\****

Families are responsible for any balances not paid by LAMP. This balance is due by October 19, 2022.

Families are required to self-pay for any missed LAMP payments due to dropping after the second class or not meeting LAMP requirements.

## **Meet the Tutor:**

My name is Bradi Dykstra. I'm a homeschooling mama to four amazing kids ages 10, 7, 5 and 15 months. I've had a love for teaching since a very young age, and I'm very thankful to be able to stay home and homeschool my own children. Most days you will find our dining room table covered with arts and crafts and lego creations!! When I'm not homeschooling, cleaning or playing with my kids, you will find me drinking coffee, reading a book or magazine, playing outside and sitting in the sunshine!

Before I became a wife and a mama, I received an education degree in Middle School Social Studies from Texas Christian University. Shortly after graduating from college, I decided my long time dream of living in the mountains needed to come true. So I packed up my belongings and moved to Colorado to teach Outdoor Education. I met my husband in Colorado and we had many wonderful adventures together in the mountains before moving to Michigan. I have spent the last several years teaching preschoolers and homeschool kids bible at Bible Study Fellowship.

I'm looking forward to teaching at REACH this year and sharing my love of crafting, creating and learning with your children.
