What are these classes about?

In these class, students will learn the basic foundations of ballet technique. Each class will start with prayer and Scripture reading, focusing on a specific Bible Verse for the week. Dancing will be done at the barre, in the center floor, and across the floor. All dancing will help to build the student's ballet technique and grow their personal artistry. At the end of every class, I will be incorporating times of worship. Here the dancers will be able to use the skills and artistry they have been learning to glorify and praise the Lord. These classes will build the student's dance technique and allow them to find a connection with the Heavenly Father through dance. At the end of the year, there will be an opportunity for a dance showcase to perform dances with the REACH community.

Who is the teacher?

My name is Maggie Mallery. I graduated with a Bachelor of Fine Arts in Dance in 2020. I have been dancing and training for 21 years. I currently Resurrection Life Church. I taught dance classes at REACH last year. I love teaching young students the art of dancing and teaching them to use the art they are learning to worship their Heavenly Father. Incorporating worship practices into the beginning stages of technique helps the students to realize that what they are doing is worship unto the Lord. Dancing as a form of worship is a very important part of my relationship with God. I find the most comfort and connection with God when I am dancing in Him, with Him, and through Him. My relationship with the Lord is something I value and cherish. I continue every day to deepen and grow my relationship with God, and though I am not perfect, I know my God is.

YOU DO NOT HAVE TO HAVE ANY EXPERIENCE TO JOIN THIS CLASS. IF YOU HAVE TAKEN DANCE CLASSES BEFORE, THIS WILL STILL BE A CHALLENGING AND FUN CLASS!
