The Early Church and  
The Middle Ages  
6<sup>th</sup>—8<sup>th</sup> Grade

## Course Overview:

We will follow the Mystery of History Volume II (2<sup>nd</sup> edition) which picks up where Volume 1 leaves off, beginning with the Pentecost and the first followers of Jesus (including Paul) and chronologically continuing through the early church and moving into the Middle Ages. Journeying from A.D. 33 to 1456, your students will explore the lives and legacies of New Testament figures, church leaders, kings, queens, Vikings, samurai, scientists, and more.

We will be learning history through the stories of those who lived it; stories about people are more interesting than dates and events. Weekly assignments will vary to provide opportunities for different learning styles; regular mapping exercises integrate geography. Semester projects will give students the ability to focus on a favorite topic.

## Instructor:

I have a BBS (secondary education) from Crown College. I loved teaching at a small private school in Grand Rapids and have continued my love of teaching and community with children's church ministries, RBM's Released Bible Time, and co-op.

I am a wife of twenty-one years and mother to two teenagers. We have been homeschooling since 2010 and have enjoyed our years in co-op! We are quirky gameschoolers who never met a hobbit we didn't like.
