

High School Biology

Instructor:
Mrs. Emily Russell
717-321-0449
emilyrussellphotography@gmail.com

Welcome to the 2021-2022 school year! This year, we will be using the Apologia curriculum to study biology. We will specifically study DNA, bacteria, pond life, algae, fungi, molecules, cellular functions, reproduction, genetics, the theory of evolution, ecology, invertebrates, arthropods, chordata, plants, and the animal kingdom. Our book is divided into 16 sections which we will study for two weeks on each section. We will intersperse tests, quizzes, and plenty of hands-on learning into our class time.

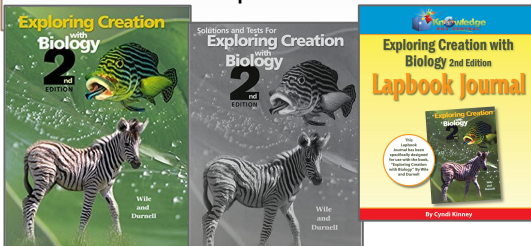

Items to Purchase for Class:

Textbook:

Exploring Creation with Biology (2nd Ed.) published by Apologia.

Also required

- Exploring Creation with Biology Student **Journal** (Knowledge Box Central version)
- **Solutions and Tests** for Exploring Creation with Biology
- 3 ring binder
- colored pencils

About the Tutor-

I am a graduate of Clearwater Christian College in Florida. I am a wife, a mom of 6, and I love being creative and designing in my spare moments. I've taught in a variety of public and private schools, and homeschool co-ops over the last 20 years. I am passionate to creatively encourage my students to become lifelong learners.
