patpolstra@yahoo.com

3<sup>rd</sup>-5<sup>th</sup> grades  
Geology, Hydrology  
Meteorology, Astronomy

## Course Overview:

Join our crew of intrepid adventurers as we investigate and discover God's creation all around us. Students will be active and engaged with experiments and games while learning all about God's magnificent Earth: geology, lithosphere, hydrosphere, atmosphere, meteorology, astronomy, and much more. No textbook needed; simply a three-ring binder and basic school supplies.

## Instructor:

I have a BBS (secondary education) from Crown College. I loved teaching at a small private school in Grand Rapids and have continued my love of teaching and community with children's church ministries, RBM's Released Bible Time, and co-op.

I am a wife of twenty years and mother to two teenagers. We have been homeschooling since 2010 and have enjoyed our years at co-op. We are quirky gameschoolers who never turn down a good science experiment: the messier the better!

**Self-Pay Fees:** \$30 non-refundable fee due at registration, \$130 due September 8, 2021; \$130 due January 19, 2022. If the class is dropped after the third class of the semester, tuition is not refunded.

**LAMP Fees:** \$30 non-refundable fee due at registration; no post-dated checks. \$260 tuition; if LAMP only provides partial payment, you will be responsible for the rest, which will be due October 20, 2021. Students are required to self-pay for any missed LAMP payments due to dropping after the third class or not meeting LAMP requirements during the semester.
